Dear Meeshie:

I can't thank you enough for all you have done for us this year. Your help at the auction and the fundraisers really helped us to have a successful party for the kids. Over 5900 kids registered for the party and I was worried we wouldn't have enough stuff but we had more than enough.

Thanks to people like you, we were able to pull it off against the odds!

I wish you the best of all things in the coming year. Let's keep in touch!

Sincerely,

SAN DIEGO COALITION FOR THE HOMELESS
